
PROJECT REQUEST

SEND ALL REQUESTS TO:

Meadow Lake Architectural Control Committee
PMB 416, P O Box 7600, Slidell, La 70459

This form should be used to request approval to erect any structure on your lot. Definition of "structure" is stated in Section VI- "Architectural Control and Construction" of the COVENANTS, DEED RESTRICTIONS AND OBLIGATIONS FOR MEADOW LAKE SUBDIVISION given to you at time of purchase.

It reads as follows: "1. Architectural Control - No structure shall be erected on any lot or elsewhere on the property by any person, firm or corporation without the prior approval of the Architectural Committee. For the purpose of this section, the word "structure" shall be constructed most broadly and shall include but not limited to buildings, swimming pools, fences, sheds, walls, porches, signs, towers, driveway, walks, television antennae, storage facility and any other things erected or placed on any part of the property. For purpose of this section, any additions to a present structure and shall require architectural approval.....

The following work or improvements are being submitted. Please submit in duplicate, one copy to be kept by MLACC for their records and approved or disapproved copy will be sent back to the homeowner. Architectural Committee will have two weeks from date of post mark on envelope to make a decision and answer all requests.

Name, Address & Telephone Number _____
